The bottom section of the image features a dark blue background with a repeating pattern of thin, light-colored dashed lines forming a diamond or grid shape. On the left, the text "A Change in Scenery" is written in a white, serif font. On the right, there is a white diamond-shaped logo with a black border. Inside the logo, the text "KIMPTON HOTEL" is at the top, "MONACO" is in the center in a larger font, and "DENVER" is at the bottom.

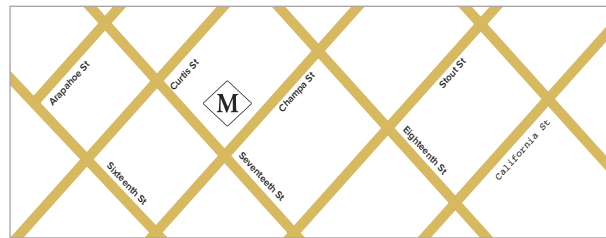

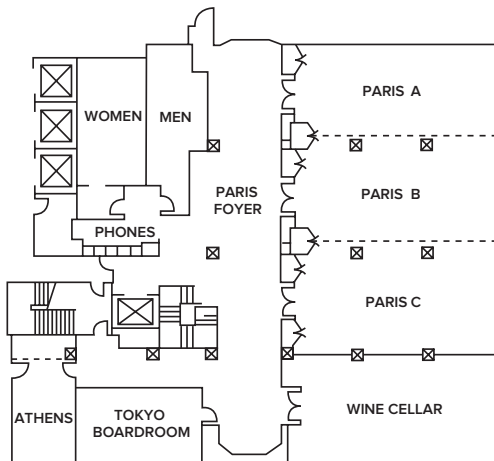

Dynamic Design in Denver's Core

Two historic buildings transformed into one exceptionally modern hotel.

If you don't have your finger on the pulse of where Denver's energy is, don't worry — we're right at the center of it. The 189-room boutique Kimpton Hotel Monaco Denver is near the best attractions, whether you're into sports (check out Coors Field and Sports Authority Field), trendy nightlife (head to LoDo), shopping (walking distance to historic Larimer Square), or business (the Colorado Convention Center is close). It's your all-access pass to the best that Denver has to offer paired with genuine four-star care and perks that only we can satisfy.

Contemporary Italian gets a local twist at Kimpton Hotel Monaco Denver's award-winning Panzano restaurant, where accolades are stacked up a mile high. The Northern Italian cuisine is served in a warm, lively setting loved by guests and locals alike. Chef Nicolas Lebas' menu is inspired by his personal culinary icons, especially his Italian grandmother, who first introduced him to the art of cooking. Guests can look forward to a sense-evoking experience rooted in contemporary Northern Italian cuisine with a local and seasonal twist. It's the perfect personal stay tempered with both whimsy and warmth.
